

We, the League of Women Voters of La Plata County, are asking all county residents to make sure their voices are heard regarding solutions to our current health care crisis. Using funding provided by the City of Durango and La Plata County this past spring, a local group headed by businessman Pat Murphy called PHCCC (Primary Health Care Community Coalition), hired the consulting group John Snow Inc. (JSI) to study the crisis in the county and provide advice as to how to solve our problems. Those proposed solutions will be presented at **three community input meetings** to be held on **September 24<sup>th</sup>**: 9 to 10:30 am at the Sun Ute Community Center in Ignacio; noon to 1:30 pm at the Pine River Public Library in Bayfield; and 5:30 to 7:30 pm at the Durango Recreation Center. Light refreshments appropriate to the time will be served.

Please attend and help us jointly develop the best possible solution we can.
